Splashpanel wall panelling.
## Durable, hygienic and 100% waterproof

Splashpanel
WATERPROOF WALL PANELLING

In addition to standard Splashpanel the collection now also includes the Premium and Narrow ranges. The 10mm thick cellular PVC structure of Splashpanel ensures the panels are durable yet lightweight. The 100% waterproof panels create a fashionable and functional wall covering that's ideal for shower enclosures, bathrooms and wetrooms. Easy to clean, with no grout lines, the Splashpanel hygienic, non-porous surface provides excellent protection against bacteria and stains and is mould resistant too.

Proplas wall panelling.
Stylish designs in matt, gloss and textured

With contemporary designs including sparkles and marbles, tactile matt textures in a choice of 250mm or 400mm wide panels, and light reflecting high gloss finishes, Proplas creates a stylish look in any setting including bathrooms, kitchens and utility rooms. Proplas panels are ideal for walls, a selection for ceilings too, and can be simply fixed over existing surfaces like tiles or Artex. Please note that ceiling downlighters can be used with Proplas as the product can withstand up to 60 degrees heat; making renovation and refurbishment fast and easy.

Proplas Smoked Grey Small Tile

TECHNICAL INFORMATION

FIXING OPTIONS

PanelStyle PVC waterproof panelling is fixed by adhering the panels to an appropriately sound, flat and plumb subsurface. If the subsurface is uneven then a timber batten frame should be installed to create a suitable subsurface to adhere to. Full installation instructions are supplied with all products and are also available to download from **www.panelstyle.co.uk**

CARE & MAINTENANCE

All PanelStyle PVC waterproof panelling is more hygienic and easier to maintain than tiles. The non-porous surface provides excellent protection against bacteria and stains. PanelStyle anti-bacterial cleaner kills germs and keeps hard surfaces clean without scratching. **Please note:** abrasive cleaners and bleaches **MUST NOT** be used on any PanelStyle product. Do not cut or store panels in direct sunlight, as can create an adverse reaction to the panels decorative layers.

5 YEAR WARRANTY

PanelStyle PVC waterproof panels carrya 5 year residential/domestic warranty against manufacturing defects. A full copy of the warranty is available to download from **www.panelstyle.co.uk**. Note installation of the product must be in accordance with the fitting instructions supplied as incorrect installation will void the warranty.

FIRE RATED

Fire Rating tested to BS EN 13501-1:2007 achieving and F.R. classification of C,S3,D0.

This PVC product can be recycled at your local recycling facility
